ORGANIZING
Binder Workshop

- Do they know what you're allergic to?
- Will they remember all of your medical diagnoses?
- Would they be able to provide a list of medications you're taking?
- Would they know who all of your health providers are?

No matter what stage of life you're in, or how complicated your medical history, you can get your medical documents organized! Should someone have to handle important medical decisions on your behalf in the event of an emergency, don't make them hunt for crucial information that's scattered in piles, baskets, and files across multiple locations.

Imagine the peace of mind you'll have when ALL of your essential medical information is organized in one central location. You'll be so much better equipped to make good medical decisions!

INTRODUCING ORGANIZE 365'S THE PAPER SOLUTION® MEDICAL BINDER

Bring your collection of medical paperwork to the workshop and a Certified Paper Solution® Organizer will guide you through the process of organizing all of your medical information. You'll leave with a completely organized binder that stores all of your medical information at your fingertips, including:

- Emergency contact information - who to call and where to find important paperwork
- Insurance information
- Prescription medications list
- Details of your current/post conditions, treatments, lab results and hospitalizations
- Childhood growth and tracking forms

You'll love the peace of mind that the Medical Organizing Binder will bring to your life. All of your medical paperwork will be easily accessible to you or anyone who needs to care for you!
